Updated Information and Awareness re Covid-19

Dear Families and Staff,

We wish to advise you that Busy Bees Early Learning Services are remaining open and operational to continue to provide quality education, care and support.

Please note that the Australian Government is continuing to work on keeping childcare Services open as an essential service to families and the community. However please note that the Early Learning Sector is working collectively with the Australian Government to ascertain what the funding arrangements would be in the event that the Government required childcare Services to close.

We will ensure Families and Staff receive all required information, including information in relation to payment of fees, as updates are provided by the Australian Government relating to the Early Learning sector.

We appreciate your continued support and patience as we all work through these unprecedented events together.

The safeguarding of the health and wellbeing of our children, staff and wider communities is our top priority and we will continue to act in accordance with the latest public health advice from the Australian Government.

If you have questions regarding how to best utilise your Childcare Subsidy (CCS) please speak to your Service Manager or refer to our letter provided to you on 15 March, 2020 that included detailed FAQ's.
